## **OBSERVATION RALLY**

*All Who Wander Are Not Lost . . .*

*This is not a race, obey all speed limits & safety precautions. Any & all motor vehicle violations are the responsibility of the driver. Please sign the QCC waiver before departure.*

*This drive is set up to be an observation rally primarily thru the West side of town. The drive is fairly simple although it does require both driver & navigator to be cautious, alert and working together. The roads are not in the best shape due to the harsh winter we have had so watch for pot holes & loose gravel wash outs around some side roads & driveways. It is hard to avoid deer and pot holes traveling Mach 2 in the country ! Have fun, be safe and if all else fails the Motor In is back @ the Barn (6193 Cook Rd, Milford 45150) and starts around 4:30 PM.*
