

OVAHC ACTIVITY REPORT

It started with an invitation:

Dale, I'll be playing polo and also playing bagpipes at half time. Its a fun time and can get fancy or casual with the tailgate. Would be great to have a group of British Cars. Hope to see you guys. CHEERS, Robert Reid

Then I sent y'all an email:

Hello OVAHC, I just received an invitation from Robert Reid to attend a polo match this Saturday at 2 PM in Loveland. I know many are busy and there is a \$20 donation / fee for The Leukemia & Lymphoma Society. BUT WHAT AN EXPERIENCE? They want us to bring our British cars! Be there at 1:30 PM, okay? Bring chairs, a cooler with drinks, a picnic basket with food, and relax and watch the event! Secretary Dale

Polo is English, the sport of Kings, and Robert played the bagpipes at halftime.....we had 10 OVAHC folks there (counting our grand kids, William and Lita) with 2 Healeys, a Mini, and VP Jacobs and Ella in a Honda 2 seat Beat right hand drive car.
