Happy New Year QCC!

We find ourselves at the start of a new year. It feels like New Years come around faster and faster each year. Starting a new year is like opening a 365 page book where each page is blank. We have no idea what each page will contain at the end. All we can do is try to write a good one.

I want to thank the officers and members of QCC for making last year a success for the club. We go into 2018 with a strong membership.

Last month we had the Christmas party at MINI of Cincinnati. I want to thank the team from MINI in allowing us to hold the event at their location. Jay and Brittany helped us in making that a success. Doing a rough count it looks like we had around 45 in attendance. The gift exchange is always a good time. You never know what the most popular gift will be when it comes to which gift gets passed around the most.

The first meeting of the year will be the planning meeting to figure out what activities we want to pursue during the year. This meeting will be held at Cincinnati MINI. Starting time is 4:00PM on Saturday, January 13. This is the second Saturday of January. For the remainder of the year we generally have a monthly motor-in on the first Saturday of the month. Those will be added to the calendar initially as place holders; details to follow. This is why the planning meeting is important. We need membership input as to what you want to do during the year. What worked in the past? Anything we want to do again? Anything that did not work that we need to learn from that experience? Do you know of any nice places for lunch/dinner that can handle a group of our size? Drives? Museums to visit? Public events to attend?

See you at the planning meeting,

Mike Suhar

THE SCHEDULE IS SET FOR THE 2018 M&M DRIVE!!!

Start planning now to join your friends from Queen City Coopers and the Greater Cincinnati Miata Club May 25th to May 28th for the 2018 M&M Vacation Drive! This year's drive will wander through scenic northern West Virginia and western Pennsylvania. The four-day trek begins with a drive to Wheeling, WV to explore the old downtown and the Oglebay Museums. Leg #2 heads out to southwestern Pennsylvania for a visit to Frank Lloyd Wright's historic Kentuck Knob. The third and final stop on this journey will be Saxonburg, PA to learn more about the designer of Cincinnati's Suspension Bridge, John Roebling. Of course, all destinations will be connected by some amazing twisties! The drive is limited to only 15 cars, so contact Bobbi Ross(bobbi.ross@fuse.net) to reserve your spot on the Master List! Stay tuned for further details on hotels and departure time/location!
