

# Boot & Bonnet

By Michael Scott

The Luau was a great success! Thanks to Gina and Hector for hosting the event. We had a some rain and it was cool but that did not dampen the enthusiasm. For September the monthly Motor-In will be on the second Saturday, September 8, this month. It will be held at the Cusick's, 5227 Mississippi Dr, Fairfield, OH 45014. starting at 5 pm.

Sign up on the website calendar.

Speaking of the web site, it has moved to a new hosting service. We had an outage for several days during the transition. The issues have now been resolved. For those that had connectivity problems with the old site try your access again. The move may have resolved those issues.

Going into fall we will have nice weather so if you have an idea for drive come to the Motor-In and can get it on the calendar.

Happy motoring!  
Mike

# LUAU RECAP

The annual Hawaiian luau was hosted by Hector and Gina at their new house. It was well attended and fun for all. Plenty of food and Hector even came up with a way to make snow cones.

Linda B

# Hybrid MINI

## EMOTIONALLY CHARGED SAV THE MINI COOPER S E COUNTRYMAN ALL4.

The most spacious and versatile MINI ever, with our most advanced technology to date. A world-class TwinPower Turbo engine paired with the instant boost of an electric motor delivers unstoppable power, eALL4 all-wheel drive and the range to venture well beyond the everyday. Charging is optional. Electrifying MINI performance is not.

MINI Countryman Plug-In Hybrid Owners are eligible for up to \$4,000 in federal tax credits.

### EASY CHARGING, EASYGOING.

The MINI Countryman Plug-In Hybrid runs on gasoline, electric power, or both, giving you a flexible range of power options. Use almost any standard outlet to charge the lithium-ion battery at your convenience, or not at all. Plugging in is entirely optional.

### ELECTRIC MODE.

Ideal for city driving, the electric-only mode lets you cover short distances with zero emissions, using the power stored in the lithium-ion battery.

### HYBRID MODE.

When your journey takes you outside city limits, the gasoline engine and electric motor work together smoothly and effectively to extend your total range up to 270 miles (based on EPA estimates).

### SAVE BATTERY MODE.

For longer excursions, the save battery mode smartly uses the power generated by the gasoline engine to partially recharge the battery and keep it at a 90% charge, so you can go where your adventures lead, and switch back to electric mode when you get there.

### THE ALL-WHEEL DRIVE PLUG-IN HYBRID.

By harnessing the combined power of the electric motor and gasoline engine to propel all four wheels, the MINI Countryman Plug-In Hybrid offers a groundbreaking, electric-enhanced eALL4 all-wheel drive system. It's a lighter footprint with some serious treads.

### ROOM TO EXPLORE.

The MINI Countryman Plug-In Hybrid is every bit as adventurous and versatile as the conventionally powered Countryman, with impressive cargo space, comfortable seating for 5, and a full complement of premium standard features.

### Treasurer's Report:

QCC has \$1833.00 in our checking account and are now accepting credit cards for Membership Dues and QCC Accessories at Meetings and Club events.

Ed Fenker

**If you haven't heard the news yet, Cincinnati MINI has increased QCC's MINI Parts and Accessories discount to 15% and 10% on Labor!!!**

### QCC Merchandise

Did you know that you do not have to wait for an event or meeting to order QCC merchandise? Anything in the catalog can be embroidered with the QCC logo – the possibilities are endless!

You can then send

Teddy Finesman an email via the QCC website to request the discounted price and place your order. Of course you can always view the catalog in person at a meeting. There are also car rally signs, QCC decals and jewelry available.

For questions or to place a merchandise order please contact:  
Teddy Finesman
