

Boot & Bonnet

GOOD AFTERNOON, QCC!!!

So... was the "Winter of 2020(21)" summed up by that brief Snowmageddon we experienced a couple of weeks ago, or was that just the beginning as predicted by that chubby rodent in Pennsylvania? Considering that it only took a couple of days of 60 degree temps (in FEBRUARY, I might add) to wipe out essentially ALL of the snow, I am hereby snatching victory from the jaws of that bucktoothed buzzkill varmint and proclaiming Queen City Coopers' Motoring Season to be officially OPEN!!! As long as the temps continue to moderate, it won't be long until even the largest of the piles of filthy snow are gone, taking the abundance of road salt down the storm drains with them. I'm cautiously optimistic that we won't be seeing road conditions like that again, but all the same I'm not quite ready to put the Summer tires on and put the MINIs in full detail yet. It sure is nice to see them reasonably clean for a few days at a time, though.

As QCC heads into March 2021, we still face some rather daunting challenges. Certainly, for an organization such as ours, COVID has put a huge damper on our activities. Yes, we are a CAR CLUB, and we've found that we can safely continue most of our Motoring activities safely and without risk to our membership. But we are also a SOCIAL CLUB. As much fun as we derive from our time together in these quirky little cars, we have always in the past been able to share the sheer joy of each others' company. The Motor-Ins, the parties, the dinners... they've all been a huge part of the experience of being a part of Queen City Coopers because in addition to our shared interest in MINIs, we are all genuinely FRIENDS. ZOOM may be a great platform for conducting business, but it's severely lacking in the warmth and interaction that our membership expects from a Motor-In. To be honest, our foray into the virtual meeting format has pretty much fallen on its face. So as in all things, I look to you for answers. We're thankfully about to enter back into Motoring season which will hopefully re-energize everyone and pull us out of our dismal Winter fog. But do we continue in our current "driving events only" format, or do we start moving toward limited social-type events? We've already begun experimenting with a couple of events that lend themselves to social-distancing, the Saturday Night at the Movies events at the Cusicks'. Should we attempt to expand these gatherings to include a socially-distanced Motor-In? Again, I look to you for answers. I'll be asking Ed to create another online survey soon to get your ideas on the matter. Whatever we do to start moving back toward our own brand of "NOT NORMAL", we will do it gradually and with your safety as our utmost concern.

March events

3/6: Monthly Motor in

And also, as we move into the coming year QCC is still in dire need of an Events Coordinator. The Events Coordinator is without doubt the most crucial position on the QCC Executive Board, requiring a serious amount of time and work to create events and encourage and assist members with the creation and promotion of events to fill the QCC Events Calendar. Add to the job description the difficulties presented by our current COVID environment, and you're looking at quite a challenge. If I haven't scared you yet and you're looking for some real fun in a leadership position in the Club, we're looking for YOU! Contact me or any member of the Board to discuss.

And now, I think I'll take advantage of a few hours of sun and give Scooter a quick bath. Hope to see you all soon. In the meantime...

CHEERS!! and MOTOR ON!!!

"With Covid-19 and the risks of infection, we will not be using our traditional paper Liability Release forms and the sharing of writing instruments, going forward. Instead, we have developed a new electronic Liability & Covid Release form that can be accessed via the Web either on your computer or a mobile device. Use of this form will be **mandatory** for events that require a Liability/Covid Release."
