

Boot & Bonnet

GOOD EVENING, QCC!!!

And welcome to the month of June!! After a very long, very dark tunnel, we're finally starting to see a bit of light. It was really great to see a nice group of our old friends at the May Motor-In and meeting some enthusiastic new MINlacs who joined us while we were under restrictions. Old friends and new friends, getting acquainted and sharing the commonality that binds us all, our love of some quirky little cars. It was a more than welcome start back toward what has always made Queen City Coopers one of the region's premier car and social organizations. And with the mask mandates and other restrictions coming to an end, we're ready to start kicking the Summer into high gear with some cool upcoming events. That light at the end of the tunnel will be replaced by a line of LED headlights and Union jack taillights, accompanied by all of the pops, bangs, and bumbles of a line of spirited MINIs. It's gonna be a GREAT SUMMER!!

As I write, late for my deadline as usual, a group of MINIs and Miatas are preparing to hit the road for one of our favorite annual events, the M&M Weekend hosted by the Greater Cincinnati Miata Club. This year's event is a Memorial Day weekend of drives, lunches, and dinners around the Athens, Ohio/Hocking Hills area, including the Wayne National Forest, Zaleski National Forest, and Burr Oak State Park. There is a reason that we partner with GCMC for a couple of events every year... they're FUN! And rumor has it that with our lives returning to some semblance of normal, we could be seeing the return of the MINIs/Miatas Florence Y'all (formerly Florence Freedom) Drive, with a fantastic spirited run through the hills of Northern Kentucky, ending in a Frontier League baseball game at UC Health Stadium! There's even a chance that the QCC/GCMC Competition Trophy could be back in play this Fall with another one of Tim Ross' devious walking rallies! Stay tuned... (and I'm gonna need new glasses)

And there are lots more MINI-centric events coming, too... I'm really hoping to see you all at the June Motor-In coming up on Saturday, June 5th @ 4pm. Due to the current plague 17 years in the making, we've been driven back to an indoor venue for this one to keep the red-eyed flying vermin at bay, so once again QCC is being hosted by Cincinnati MINI. As always, we'll have drinks and snacks on hand as we enjoy each other's company and conduct just a little bit of Club business. And right on the heels of the Motor-In comes one of our rare Friday evening events, The Root Beer Stand Drive! Hosted by Tim and Bobbi Ross, we'll be meeting at The Root Beer Stand in Sharonville at 5:00pm on Friday, June 11th for root beer and chili dogs, then departing at 6:00pm for a 90 minute, 45 mile drive ending with social time and ice cream on the patio of the newly renovated UDF on Chamber Dr. in Milford! Sounds like a blast, and hopefully gives some of our members who have kids in sports on Saturdays a chance to get out and MOTOR!! And be sure to keep an eye on your QCC e-mail, website, and social media for additional events. We're off to a slow start as we reboot, but we're working on dusting off some of the best routes from the past, including a couple from the master, Rob Rauch, that should be hitting the schedule soon. There's lots more coming this Summer, including a brand new National Scavenger Hunt event from MINIUSA, so STAY TUNED!!

So as often happens (okay, every time), I've overrun my allotted space. I just want to take a moment to thank everyone once again for sticking with us through the most difficult year imaginable for an organization such as ours. I'm grateful to be a part of such an amazing group. Can't wait to see you all...

CHEERS!! and MOTOR ON!!!

Tom

- ☑ \$4,500 in Fuel Savings over 5 Years ☑
- ☑ State and Local Incentives ☑

RECHARGED WITH TONS OF NEW FEATURES

The legendary design and all-electric power of the 2022 MINI Electric Hardtop 2 Door has been updated with fresh technological and stylish features. Fully loaded with more standard premium features, the MINI Electric drive is even more fun than before. **ELECTRIFYING LOOKS**

The Electric Hatch now comes with more standard premium exterior features. We reenergized this model down to smallest details. From new wheels to redesigned front and back grilles, and standard LED Headlights and Union Jack Tail lights to air curtains that give you a more aerodynamic drive – this electric MINI is looking fresh.

TURNING UP THE ELECTRIC FEEL

We wanted to make the 2022 MINI Electric Hardtop 2 Door a great example of how a car can keep you safe and comfortable with the best technology. We amped up the interior with ambient lighting, a visually updated dashboard design, and brand new designs for the steering wheel and air vents.

UPDATED TECH AT YOUR FINGERTIPS

Your iconic MINI Electric will always have your back with the new standard Lane Departure Warning, built to ensure your safety on the road with visual warning and vibrations in the steering wheel to notify you when you are drifting from your lane. We've also included standard Active Driving Assistant with active safety features such as Pedestrian and Front Collision Warning with City Collision Mitigation.

DIGITAL UPGRADES YOU'LL LOVE

We turned the volume way up when it came to the Electric Hardtop 2 Door radio. This model now features the larger 8.8" Touchscreen with an updated user interface and High Gloss Black detail. We also replaced the Analog Cluster with our brand new Dynamic Digital Instrument Cluster. Now, you can easily view information like Vehicle Speed, Driving Modes, Turn-by-Turn Navigation, Communications, Multimedia, and much more digitally.

SELECTRIC. EXCLUSIVELY THROUGH MINI FINANCIAL SERVICES

Flexible financing available on electric and plug-in hybrid MINI vehicles. Lower monthly payments compared to traditional financing options – now that's SELECTRIC! Financing flexibility, only from MINI Financial Services. For complete details, ask your local MINI Dealer.
