GOOD AFTERNOON, QCC!!!

Ahh, here we go into October, with it's comfortable sunny days and the beginning of crisp, cool evenings by the fire pit, the changing of the leaves to gorgeous shades of gold and red, the changing of every empty storefront to a Spirit Halloween store, kids back in school, the young ones already anticipating an evening of Reese's-and-Airheads-fueled Trick or Treat madness, and... PUMPKIN SPICE EVERYTHING!! Pumpkin Spice cookies, Pumpkin Spice cakes and donuts, Pumpkin Spice tea and coffee creamers, Pumpkin Spice candles and air fresheners, Pumpkin Spice cereals, Pumpkin Spice ice cream, Pumpkin Spice beer, and the worst... Bailey's Pumpkin Spice Cream Liqueur! Ugh!!! Who buys this stuff!! And WHY?!! I mean, seriously, I'm all about burning through a Frisch's pumpkin pie or three around Thanksgiving, but do I want to relax in my pumpkin-scented recliner with a plate of pumpkin-flavored cookies and sip a pumpkin-flavored cocktail? NO!! I may get caught up in some silly fad once in a while, but NOT this one. And as often happens, I seem to have digressed...

So here we go again into October... Along with all of the great Fall colors and the break between the Summer heat and the frigid temperatures to come, October brings us one of our favorite annual events, ED and VEL FENKER'S FALL SPIRITS DRIVE! This one has always been a huge favorite of QCC for so many reasons. As implied by the name, the Fall "Spirits" Drive has traditionally ended at a fine Kentucky winery or distillery with a sampling of their wares. This year's drive is a reprise of the Lovers' Leap Drive from a few years back, with the beautiful Lovers' Leap Winery in Lawrenceburg, Ky as the destination. As if the destination wasn't reason enough, Ed and Vel's routes through the scenic hills, ridges, and back roads of Kentucky are legendary! That means there will be plenty of hills and twisties with lots of opportunities for some "spirited" Motoring (see what they did there?) that will leave you grinning! The drive departs from the Rest Area on southbound I75 just south of Zion Rd. @ 9:00am (8:45am drivers' meeting) on Saturday, Oct. 16th. Expect 3 hours of spirited motoring, followed by a wine tasting (\$9 per person) and a bring-your-own picnic lunch on the winery's veranda. It's gonna be a great time that you won't want to miss!!

October events

10/1: SCAA Runoff

10/16: Fall Spirits Drive

Along with some fantastic Motoring, October brings us a bit of annual QCC business with the closing of nominations for 2022 Queen City Coopers Executive Board officers at the October Motor-In on October 9th. The Motor-In is scheduled for 4pm, but at the time of this writing the location and venue have not been confirmed. We will announce the location by e-mail and on Facebook as soon as it is finalized. As required by the Club's bylaws, nominations for 2022 QCC officers were opened at the September Motor-In and will close during the October meeting. Candidates who are running unopposed will be awarded the office at the close of nominations. Offices

with multiple candidates will result in a balloted runoff election held during the November Motor-In (our Soups, Stews, Chilis, and Chowder's event) on Saturday, November 5th at Riverpoint Condominiums Clubhouse in Dayton, Ky. At the September Motor-In, NANCY CUSICK (Membership Director) and ED FENKER (Treasurer) agreed to retain their positions for 2022 if unopposed. ALEX OLVEDA has since also agreed to retain his position (Swag Coordinator) if unopposed. At the meeting, HECTOR MALDONADO self-nominated for the position of Events Coordinator. There has yet to be a nomination for the position of QCC President for 2022.

As we transition into the milder Fall weather, please bear in mind that the cold temps and harsh weather won't be all that far behind. Start planning your Winter maintenance now. A fresh set of tires, a newer battery, and fresh fluids can keep you on the road and might just save you some frustration. And a fresh coat of wax (or ceramic) will save you a ton of cleanup in the Spring. Hmmm, maybe a nice coat of Pumpkin Spice Turtle Wax.... Hope to see you all at the October Motor-In and the Fall Spirits Drive!! In the meantime...

CHEERS!! and MOTOR ON!!

Tom

To get the most up to date schedule: www.scca.com then scroll down to 2021 SCCA National Championship runoffs@Indianapolis Speedway - select it, then scroll down to Event Schedules - click on the arrow and choose Qualifying/Race Schedule.

For spectator tickets, you go to the Indianapolis Speedway site:

SCCA RUNOFFS (indianapolismotorspeedway.com)

These are general admission - no assigned seats and not all grandstands are open. We also suggest purchasing parking since there's not really any space in the infield with all of the competitor rigs and volunteer worker vehicles.

We suggest a hotel for Thursday night before the races.

Suggested MINI Cooper Maintenance Schedule

Pleasanton drivers who want to enjoy consistently optimal performance from their MINI vehicle should adhere to the MINI maintenance schedule closely. Here is how it breaks down at every 3,000, 6,000, and 9,000-interval:

MINI Car Maintenance: 3,000 Miles / 3 Months

Every 3 months or 3,000 miles, the following MINI components should be checked and/or changed:

- Engine oil
- Engine air filter
- [Transmission fluid](#)
- Power steering fluid
- Windshield washer fluid
- Battery and cables
- Tire inflation and condition
- Belts
- Hoses
- Lights
- Exhaust

MINI Car Maintenance: 6,000 Miles / 6 Months

At every 6,000-mile or 6-month interval, the MINI maintenance schedule includes all of the 3,000-mile services, plus these additional points of focus:

- Chassis lubrication
- Wiper blades
- Tire rotation (if necessary)

MINI Car Maintenance: 9,000 Miles / 9 Months

Each time you hit the 9,000-mile or 9-month interval, your MINI maintenance will be identical to the 3,000-mile services, including all of the same checks and/or changes.

MINI Car Maintenance: 12,000 Miles / 12 Months

Every 12,000 miles or 12 months, MINI maintenance will be a bit more involved. This once-yearly interval encompasses everything from the 3,000 and 6,000-mile maintenance schedule, plus these additional important checks and/or changes:

- Brakes
- Coolant
- Steering and suspension
