

# Boot & Bonnet

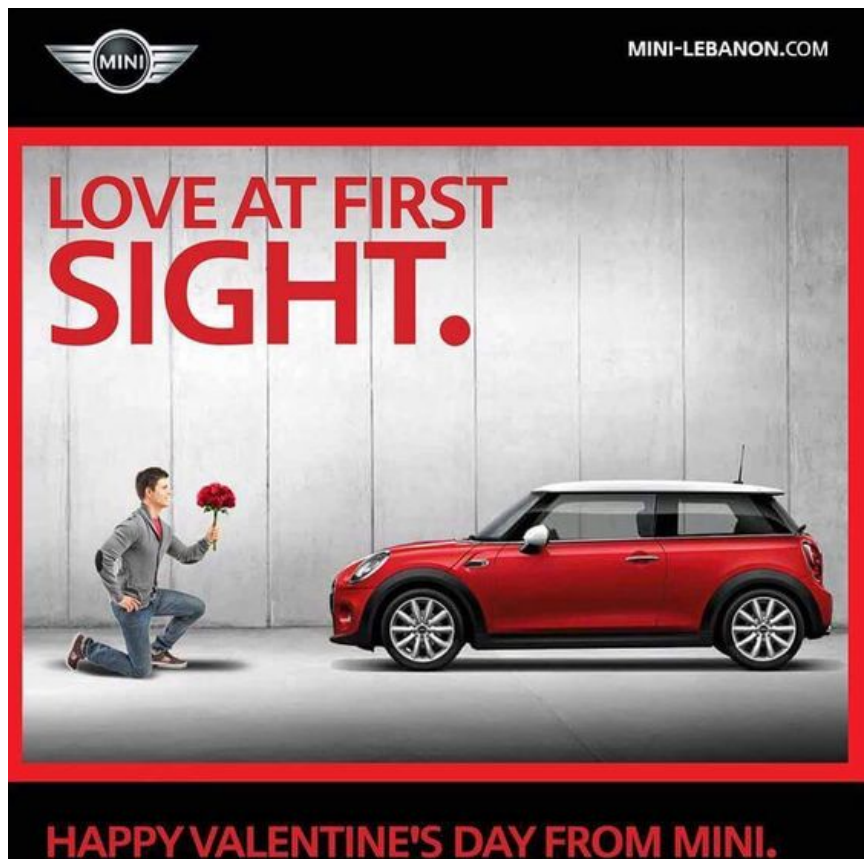

Hello fellow Miniacs!

We are one month closer to spring, which will bring warmer weather, and cleaner daily drivers. For those that did not make it to the January Motor-In, we discussed various events and venues to hold the monthly meetings. The year is shaping up nicely with most months having multiple events, some sponsored by QCC, and others sponsored by other groups, such as the Spring Classic drive, Minis on the Dragon, Mini Meet East, or MINI Takes the States. I encourage everyone to check the events on our calendar, and consider representing QCC, or maybe volunteering to host an event.

February's Motor-In will be on Saturday, February 5th, which is also National Eat Ice Cream for Breakfast Day. Join your fellow QCC Miniacs to discuss what ice cream you had for breakfast, upcoming events, and to enjoy good company. We will meet at The Mellow Mushroom at 9238 Floer Drive, West Chester at 5:00 p.m. Hope to see you there!

Cheers,

Mary

**February event**

**2/5: February Motor-In**

Join your fellow QCC members for a Motor-In at The Mellow Mushroom located at: 9238 Floer Drive, at 5:00 p.m. West Chester, OH Check out their menu at: [MM MENU](#) . Hope to see you there!

If you change your e-mail please let me know so you can continue to receive the newsletters

# Getting Your MINI Cooper Winterized

When you stop by for your MINI service, these are just a few of the steps taken to make sure your car is winter-ready:

- **Tires:** Checking the tread, air pressure, and alignment is important for safe driving. You can also opt for a set of MINI Cooper winter wheels and tires for even greater traction on slick surfaces.
- **Battery:** Dropping temperatures can cause major issues for your battery capacity. Your technician will check your battery for any damage as well as charge level, so you can get a replacement before you run into trouble.
- **Belts and Hoses:** Cold temperatures can turn belts and hoses brittle, so a quick inspection can help you stay on top of your components before they suffer damage.
- **Brakes:** Brake pads and rotors should be checked for performance, since harsh winter weather can cause your brakes to work harder.
- **Antifreeze and Coolant:** These components are vital for your engine's temperature regulation. Ask the parts department for antifreeze recommendations during your MINI service if you aren't sure what to use.
- **Engine Oil:** Your engine oil can thicken during colder temperatures, which can cause damage if your oil is already old and viscous. We recommend scheduling an oil change before the colder temperatures set in.
- **Windshield Wipers and Fluid:** Your wipers can crack and split, which can render them worthless against winter precipitation. Additionally, you'll want to switch to freeze-proof wiper fluid that won't compromise your clarity on the Carlsbad roads.
- **Lights:** Lighting systems like turn signals, fog lights, headlights and tail lights should all be checked – and you can even upgrade to brighter, more efficient LED lighting at our service department.

## 2022 Dues are due!!!

Please send your annual dues of \$30.00 to

## QCC Swag!

Hey, all of you MINIacs!! We know how much you love to show off your QCC and MINI pride, and We're here to help! We have all kinds of cool Queen City Coopers branded items like t-shirts, decals, and of course the essential door magnets, to keep you and your MINI looking great! And there's much more on the way! We're currently looking at new embroidery and printing vendors to build a catalog of some great new apparel items to have on hand at meetings and for special order with a quick turnaround and delivery!! New designs are coming too, but we'll still have a limited quantity of our QCC "Life's too short to drive boring cars" t-shirts available at the upcoming meeting! Want a whole stack of swag but didn't bring any cash? No problem!! QCC can accept credit cards for your purchase with a small service fee!! GEAR UP AND MOTOR ON WITH QCC!!!
